Fall CARLISLE®

COLLECTOR CAR SWAP MEET, CORRAL & AUCTION

October 1-5, 2014 • Carlisle, PA

Welcome to Fall Carlisle! Thank you for joining us on our 40th Anniversary. My name is Tim DeMark and I am honored to be the event manager for Spring and Fall Carlisle.

Carlisle Events all started with Bill and Chip Miller, two young automotive enthusiasts sharing a dream and making it a realization in 1974. With ambition, determination and focus these two automotive icons created the most exciting and diverse collector car swap meet and car corral in the country. They revolutionized collector car enthusiast events and their families and staff continue to work for you with the same passion and respect as they did from the start.

We recognize how important each one of you are to Carlisle Events. Whether you are a vendor, spectator, manufacturer, showfield or auction participant, we encourage you to share your passion of the hobby with new enthusiasts to help the collector car market grow and continue for generations to come. We are pleased to have you in the Carlisle family. We've heard countless stories from people who have built lifelong relationships through their common interest in coming to our events. We hope to hear many more!

Some things only get better with time; Carlisle Events is one of them. Beginning with one show in 1974 and now producing 14 events, it's easy to see we all have something to cherish for a lifetime. Please contact me directly with questions, observations, thoughts, ideas or to book space at any of our events. Thank you again for your participation. See you at Spring Carlisle, April 22-26, 2015.

WELCOME TO THE 40TH ANNIVERSARY OF FALL CARLISLE

Happy Anniversary and thank you! Carlisle Events is celebrating 40 years this year and what better way to wrap up our Pennsylvania-based schedule than with Fall Carlisle, the show that started it all. It doesn't matter if this is the only event you attend or if you're part of our other ones, we thank you from the bottom of our hearts for supporting us. All of these successful years are because of you, our guests that have attended shows promoted by Carlisle Events. It hasn't mattered if the sun was shining or the snow was falling, you have come to Carlisle and we hope you continue to do so.

Soon after Carlisle Events became the destination that it is today, we started to focus on ways to make our events a more enjoyable experience for women and children of the hobby. As such, the Women's Oasis and the Kids at Carlisle Activity Center were born. You see, we want to assure that the kids you see running around today are coming here 40 years from now with their families. Our goal is to make Carlisle Events a fun experience for the entire family

and as we enhance these activities going forward, we ask that if you have ideas on how we can make them even better, please give us your suggestions. We thank you for being a big part of our success and we all need to encourage today's kids to become tomorrow's collectors.

With all that said, this weekend will be fun. We have a special vehicle display just outside of Gate 1 in and around Building G. This display represents decades of post-war cars and is really something to see. We're also hosting a special dinner to honor our charter vendors and at the stage, we'll have some music, food and fun to celebrate our 40th Anniversary with everyone. If you have any questions, stop at the Guest Services building located just steps west of the grandstand. There, a friendly Carlisle Events staff member will help point you in the right direction.

Also, we hope you brought your walking shoes because as you get around, you'll notice that there are many vendors throughout the grounds to visit. You'll enjoy the hunt, searching for merchandise, memorabilia, restoration items

or aftermarket upgrades. It's here, you'll find it... just keep looking. Plus, if you're more interested in collector cars available for purchase, check out the car corral or our auction at the Expo Center. Carlisle Auctions consigns cars via its "free unless sold" policy and while it's too late to consign today, you can get involved for one of our other four annual auctions. Visit the Carlisle Expo Center for details. We have onsite financing, tag and title services too. Carlisle really is a one-stop shop.

As the weather turns cold and wintry in the north, we invite you to join us next month in Zephyrhills, Florida for Fall AutoFest. You could call Fall AutoFest a southern version of Fall Carlisle with a massive collector car auction of 300 cars, a swap meet and a car corral. Oh, and sun – lots of it! The event runs November 13-16 and if you want to get involved, call 717-243-7855 today.

Thank you again for your support and helping us celebrate our 40th Anniversary. We'd love to hear from you. Please take our event survey online at CarlisleEvents.com or visit Guest Services for a paper copy.

These 56 charter vendors are the core group that helped us launch our dream 40 years ago. We are very grateful not only to them, but also to all of you who have chosen to make Carlisle part of your life and we hope you will always consider Carlisle as your "home away from home."

PICKING TIPS

Navigating the Swap Meet

By Tim DeMark

Over the years people have tried to perfect how they pick through the swap meet. Carlisle makes you feel like a kid in a candy store! Here are a few tips that can help you in your pursuit.

- Take advantage of this event guide; it's loaded with detailed information about a lot of our vendors and the products they carry. Also, review the event map in the centerfold.
- Wear your most comfortable shoes, dress in layers, carry a backpack and have a trash bag or poncho in case of weather. Be prepared. Hunting, picking and selling in uneasy weather tells all involved, "We're ready to deal!"

- Be vocal. Just because you don't see something you're looking for doesn't mean it's not there. Ask the exhibitor if they have it or carry anything in that product line.
- Have or wear a sign that describes or shows what you're hunting. You never know when you'll walk by someone who can help you find it.
- Plan your walking/shopping route. Consider accomplishing hilly areas while your energy is up. Don't skip any areas, look in every space, nook and corner. Stick with a plan each day, persistence pays.
- Use your phone, camera or paper

to keep track of where you saw a certain item you may want to go back to.

- Food and restrooms are located throughout the grounds. They are all marked on the event map.
- The tall row signs are extremely helpful for marking spots of interest.
- Remember gate locations.
- Negotiations with banter can be fun. Please be respectful and polite.

Enjoy Fall Carlisle and good luck picking!

GUEST PROFILE: JOHN LOWELL

Trades in Home Grown Oysters

By Mike Garland

“We are not strangers, just old friends that haven’t met yet,” is the perfect quote to describe annual show attendee John Lowell. Half a million people walk through the gates each year with qualities that make them different. Some will give you the shirt off their back, others will give you the food off their grill, and John would do both. John is a resident of East Dennis, Massachusetts and started coming to our events in 1999. The first show he attended was the Truck Nationals. “The shows at Carlisle are world renowned and legendary, and I just had to see one for myself,” said John. His first experience at the Truck show was great, and although he does not attend that particular show anymore, he attends the Spring and Fall events every year.

In 2003 John and his family opened up a business to suit the Cape Cod lifestyle that they lived. They opened up an oyster farm in their home town called “Dennis Oysters.” Throughout the last decade John has decided that when he comes to Carlisle for his week-long biannual visit that he will also bring along his business to share with other show attendees and vendors. Every year he brings along his oysters for people to try. He has made many relationships with people here because of this. He even barter his oysters in return for other things from vendors.

John has become close friends

with many vendors. They are so close that they have attended each other’s family functions including weddings, graduation, etc. He helps several vendors set up their displays before the show starts, and even fills in for them while they go walk around and explore the grounds for themselves. Two vendors he always makes sure to visit is “Gary the Sock Guy,” as well as the “Cremos.” As a resident of a tourist area himself, he is big on supporting local businesses. Whenever he comes to Carlisle, he rents a cabin from a local, located on the Conodoguinet Creek and only eats at local restaurants like “Brad’s Pizza,” and the “Three Pines.” He has also become close friends with the owners of “Hair Smiths” barber shop, outside gate three, who feature parking at their business during the shows.

Coming to the events is something John’s whole family enjoys doing. Every year his son Robert attends both the Spring and Fall shows with him. Robert has been coming and helping his dad since he was ten years old; he is now 23. He graduated from the Massachusetts Maritime Academy in 2013, and is now an engineer working on drill ships all over the world. “My son loves coming with me to the shows twice a year. Carlisle has taught him so much. He attended a technical high school where he graduated as the number one technical marine student in the country. I believe that being

exposed to the shows for so long has helped him with accomplishing this,” stated John. No matter where Robert is in the world, he tries his hardest to fly into Harrisburg International Airport during the week of the Spring and Fall shows. Coming to the shows has always been their way of “father and son bonding.” When Robert was away a few years at school, John’s wife came along with him to fill in the void until he was able to go again. Although a father and son trip, the Lowell’s encourage at least one person each time they go to come along with them if they are interested in experiencing what John calls, “Automotive Disneyland.” “We have been known to bring along a large list of ‘colorful characters,’ with us over the years,” said John.

It is safe to say that John and his family have made many incredible memories in Carlisle, Pennsylvania over the last 15 years. “I always want to thank the two Miller families for what they have created and what they have done for this show over the years. I also want to send a big thank you to Diane Vaughn, the “Undisputed Queen of Carlisle Events,” who is a lovely lady and is known to have an oyster now and then,” exclaimed John. If ever in the Cape Cod area, check out “Dennis Oysters.” The Lowell’s will treat you like more than a guest, they will treat you like family.

CARLISLE EVENTS: 2014 IN REVIEW

By Mike Garland

Sports & Outdoor Show

The second annual Carlisle Sports & Outdoor Show was highlighted by multiple competitions, family fun, seminars and workshops, giveaways and a sportsman auction. In addition, guests were hands-on with various aspects of the event, interacting with notables from outdoor-themed TV programs, booked outdoor excursions and even reviewed the latest products geared towards boat and RV enthusiasts within the swap meet and midway. Other aspects of the show were demos of power equipment, ATVs and UTVs, while vintage craftsmen showcased their talents too. Though modern campers were at Carlisle, so were about two dozen vintage ones. There were also a few charity events, including a sportsman auction presented by the PA Outdoor Writers Association, which benefits youth programs within the state, and the Camo 5K Fun Run and Walk benefiting the Leukemia and Lymphoma Society of Harrisburg.

Corvettes at Carlisle

The past, present and future of the Corvette was displayed during Corvettes at Carlisle. Guests enjoyed Corvettes from year one to the new 2015 Z06 coupe and convertible. The Chip's Choice display showcased cars that brought friends and families together all for the love of the Corvette, and racing was a hot theme too. The autocross track was busy, while two race-themed displays anchored the Fun Field. Enthusiasts enjoyed cars that were race prepared as well as those that were part of the Corvette Challenge Series as they took center stage.

Additional highlights included a downtown Carlisle parade, 1964 celebration including the CERV II, the NCRS Gallery, NCCC judging, the Carlisle Quest, a giveaway from Spring Mountain Resort and, of course, the massive shopping options in the swap meet, car corral and midway. Save the date: 2015's fun runs August 28-30.

Carlisle Sports & Outdoor Show • September

Corvettes at Carlisle • August

Bloomsburg Nationals

What an amazing 2014 Bloomsburg Nationals presented by PPG. There were so many factors that went into making this a record-breaking show, but the obvious one is the passionate enthusiasts who attended the event. In addition, great weather, cool activities, awesome cars and a money-based scavenger hunt drew people to the Bloomsburg Fairgrounds.

There were onsite competitions, too, like the slow drags, teeter totter, muffler rap, burnouts, wing eating, a demolition derby, flame throwing and even some kids' fun with the kids' activity area, wildlife shows and a fun bungee ride. The Women's Oasis was hopping with bingo and crafts and for car owners, there were awards offered too, which culminated with many being handed out at the Sunday awards parade. Finally, with such positive vibes flowing, plans are underway for 2015 already. Save the date, the show is August 14-16 once again at the Bloomsburg Fairgrounds.

Carlisle Truck Nationals

The 2014 Carlisle Truck Nationals welcomed trucks of all sizes, special displays and more, proving once again that the Carlisle Fairgrounds is the epicenter for all things truck! One of the best Manufacturers Midway and the swap meet areas had guests buying up all things truck. This year's event welcomed entertainment and activities with the Phantom Fun Zone, Sky Bounce, Berg Bikes and monster truck shows and rides, plus a Friday kid's-themed scavenger hunt. Family fun was on full display. Customvan.com returned with a great custom van display. SyTy's stormed into Carlisle with a showing of Syclone's and Typhoons. The American Truck Historical Society's Antique truck showing complemented a full field of custom big rigs and heavy trucks in the Big Rig Show and Shine. The LTAA joined us once again to present the industry's newest products. Save the date, because next year's show is August 7-9, 2015.

Carlisle GM Nationals • June

Carlisle Chrysler Nationals

The 2014 Carlisle Chrysler Nationals boasted record numbers on the showfield and spotlighted the past, present and future of Dodge. Swap meet shopping was a popular destination as were a handful of automotive thrills – autocross with Hotchkis Sport Suspension, the Scat Pack Thrill Ride and test drives with Dodge as well as the Rausch Creek Off Road Course with Jeep demos from Brenner Chrysler Jeep. Friday hosted a Dodge 100th birthday party and Collector Car Appreciation Day. The indoor displays were a great highlight too, including a 50-year Race Hemi Reunion, an A12 showcase, 50 years of the Barracuda and an all-star cast of show cars. In addition to several 2015 Hellcat Challengers on display, Ralph Gilles performed an epic burnout in front of thousands of fans. Save the date because the 2015 show runs July 10-12 and features '80s and '50s themed celebrations!

Carlisle GM Nationals

Carlisle GM Nationals guests walked the aisles daily to enjoy the special displays, midway vendors and cars on the showfield. Plus, the swap meet was the place for aftermarket and restoration items. UMI Performance and the Cumberland Valley Corvette Club fed the appetite of enthusiasts with autocross and Bruce Larson returned with his famous dragster startups as well. Additional highlights were the Monkeemobile, the GTO anniversary display, the Solid Lifter Showroom and the Bandit Run, which

welcomed over 100 Bandit-themed Trans Am cars and a replica of the Snowman's rig from the movie, Smokey and the Bandit. Seminars were a popular draw, educating guests on the history of the GTO, specific types of oil to use in classic cars, maintenance and more. Save the date because the 2015 show runs June 26-28 and features an IROC-Z anniversary spotlight!

Carlisle Ford Nationals

The 2014 Carlisle Ford Nationals was a record-breaking affair that will be talked about for years to come. With the guest of honor being the Ford Mustang itself, thousands of them were onsite and the Ford brand showcased its past, present and future at Carlisle. With cars spanning from the early 1900s to a trio of pre-production 2015 rides, the 50,000+ enthusiasts who came to Carlisle were salivating! Of the new 2015 models, the Mustang, F-150 and Transit were showcased. Combine that with super seminars, a handful of timeline displays, a female-owned showcase, Special Edition Mustang display, the swap meet and car corral, the Ford lovers at Carlisle were immersed in an automotive utopia!

Though this year's event has come and gone, Ford fans are planning for 2015 already. The 2015 show, which will be June 5-7, hosts anniversaries centered on the Thunderbird and Ford GT.

Carlisle Import & Kit Nationals

It was a British Invasion as part of the 2014 Carlisle Import & Kit Nationals. The weekend showcased

the international automotive flavor that the event is known for, but specifically highlighted British cars. There were also historic cars throughout the grounds allowing for at least 118 years of automotive history to be showcased. A nice array of guests flocked to Carlisle too, including Bobby Archer, Geoff Hacker, John Twist, Merrill Powell and Rick D' Louhy. These guys, plus some others hosted seminars all weekend too.

The River 97.3 FM sponsored the stage which hosted live music while the show featured autocross, special awards, scenic car cruises, shopping and the Passport. Showgoers won prizes as they traversed the grounds to have their special passport booklet stamped. In all, the weekend was a hit. The show is back with an Asian car feature for 2015, May 15-17.

launched the Carlisle Events specialty show season with a pizzazz known only to this particular event. Current trends focused around stance / wheel fitment, classy high end interiors, shaved engine bays, and highly customized exteriors lead the way in grabbing the attention of all attendees. The younger enthusiasts that attend this show came in droves proving the "tuner" world is still alive and kicking. Los Goonies, NICOclub and the Gentlemen Street Club tore up the autocross/drift course, while burnouts and one of our largest beauty contest proved as popular as always in front of the grandstand.

This event moves to July in 2015. The new date is July 17-19 and brings with it more cars, more people and even more excitement!

Carlisle Performance & Style

Carlisle Performance & Style once more showcased the hottest automotive trends. With special indoor displays and unique cars on the showfield, P&S

Spring Carlisle

Spring Carlisle did a lot for those looking to beat the winter blues. After a crazy winter, Spring Carlisle hosted 100,000 guests, 8,100 sold-out vending spaces

and moved about \$3.2 million in total sales via the collector car auction, presented by Carlisle Auctions. All things automotive were on display, with at least 100 years of history available for purchase.

Spring Carlisle also hosted the Hot Rodders of Tomorrow engine challenge. The winning high school was the Burton Center for Arts & Technology (Salem, VA), while another team from Burton finished second. Franklin County Career & Technology Center (Chambersburg, PA) was third. Mark your calendar for April 22-26, 2015.

Winter AutoFest

Located in Florida in February, the Winter AutoFest collector car auction ran Friday and Saturday, hosting well over 400 cars. Featuring the overwhelmingly popular *free unless sold* consignment policy, sales were strong, numbers were good and the level of excitement was sky high. In addition to the thrilling auction action, Festival Park came to life with vendors and enthusiasts shopping the swap meet and car corral. Beat the winter blues and join us February 19-22, 2015.

Auto Mania

Auto Mania brought the Allentown Fairgrounds to life during the weekend of January 17-19. Outside of Ag Hall, the car corral and swap meet served as an appetizer for the thousands of car crazy enthusiasts

who were suffering from cabin fever. The car corral was positioned under and around tents, making it an even larger footprint than prior years. To the delight of visitors, the tents also meant a bigger area for swap meet vendors, meaning even more items for sale.

The outdoor appetizer gave way to the main course indoors. The building was once again sold out and enthusiasts walked shoulder to shoulder in search of deals, collectibles, merchandise, accessories and more. The weekend also was a great opportunity for “old friends” to catch up and talk shop. Though many will meet again at Spring Carlisle, their next chance to do so in Allentown is January 16-18, 2015.

Fall AutoFest

The 2013 Fall AutoFest welcomed over 20,000 enthusiasts, some 400 consigned auction cars, hundreds of vendors and many within the car corral last November. While the event welcomed special guests, the true draw was the cars, both within the auction and car corral. The *free unless sold* policy bumped the available auction cars to record levels and the selection within the car corral was varied too. It didn't matter if guests were buying, selling or looking, there was something for everyone. Further, the swap meet saw many pieces and parts for sale. With nearly \$3 million in sales via the auction and a 60% jump in attendance, Carlisle Events is excited to return to Pasco County next month – November 13-16, 2014.

COLLECTOR CAR INSURANCE

Official Classic Car Insurance

Have you ever wondered what collector-car insurance is all about? It's simple: "passion." Heacock Classic Insurance knows that collector cars receive better care and are driven less than the family vehicle, therefore, classic car insurance rates are lower. Our goal is to offer a custom, low-cost program designed to fit your needs. Collector car insurance from Heacock Classic provides "Agreed Value" coverage, full coverage during restoration, coverage for modifications, and you choose your own repair shop if your car is damaged. You also get to choose a \$0 dollar deductible and automatically get \$50,000 in coverage for 30 days when you purchase a new classic car. After you request a quote, a status report is usually ready within 24 hours. Then we will contact you to review it and hopefully activate

your new insurance policy. It's simple, easy and the best way to properly protect your investment. Call us today at 800-678-5173 or online at www.HeacockClassic.com

RockAuto ships thousands of auto parts from over 300 manufacturers to customers on every continent except Antarctica — including APO/FPO addresses. The RockAuto catalog is updated daily with mechanical parts such as brake pads and shock absorbers, body parts such as bumpers and mirrors, interior trim such as door handles and carpets, and major assemblies like steering gears, CV axles, engine long blocks, and complete transmissions. There are no mechanics on staff (RockAuto is a store, not a repair shop) but service manuals are available to help customers learn how to perform a repair. The RockAuto catalog is expanding constantly. Someday, it may be possible to build an entire car using parts from RockAuto!
